

Pi Gamma Mu News

Pi Gamma Mu is pleased to announce that Dr. Laura Rodriguez-Kitkowski of South University will be the third speaker in its new online Speaker Series. The series spotlights the research interests and expertise of Pi Gamma Mu's chapter faculty sponsors and is free of charge. Throughout the 2022-2023 academic year, Pi Gamma Mu faculty will showcase their expertise as they discuss new and important themes in the social sciences. On Friday, May 12, 2023, at 3 pm ET, Dr. Rodriguez-Kitkowski will speak about Stress and Strategies for Coping with Stress.
