

The Beauty of Belonging

Rheamy Baliber-Duallo^a

The love of God is something so big,
Enough to house everyone in every league.
They say special children are our ticket to heaven,
But I say they bring heaven, and it's proven.

Some say the world is never fair.
With injustices, it can never compare.
Yet God is always present and near,
Especially for those who are heaven sent.

Teaching learners with special needs
Is both a gift and a privilege that feeds.
The amount of fulfillment and compassion we share
All adds up to one dedication beyond compare:

To live for others, to teach with inclusion,
To create a world rich in love's fusion.
