

Retraction

Retraction of: Abhilasha Krishnamurthy, Thandavarayan Sakthivel and Kundapura V. Ravishankar. July 2025. Diversity analysis and cross-species amplification of custard apple (*Annona squamosa*) using simple sequence repeats developed via next-generation sequencing technology. Folia Horticulturae, Volume 37, Issue 1, pages 1-17 (ahead of print article) (DOI: 10.2478/fhort-2025-0009).

The reason for withdrawing the article is the authors' failure to fulfill their contract with the publisher.
