

Corrigendum

Convective transport of mass and energy in severe storms over the United States—An estimate from a geostationary attitude

By D. N. SIKDAR, V. E. SUOMI and C. E. ANDERSON

(Received March, 16, 1970)

The following errors were noted in the article "Convective transport of mass and energy in severe storms over the United States—An estimate from a geostationary altitude" by D. N. Sikdar, V. E. Suomi and C. E. Anderson (Tellus 22,5, 521–532)

1. In line 12 under section 1 (page 521) the year should read as 1949 instead of 1959.
2. In the third line after equation 1, on page

522, the air density should be read as 10^{-3} g/cm³ instead 10^3 g/cm³.

3. The numbers on mass fluxes in line 16 (page 528) section 5, should read as 10^8 to 10^9 kg/sec.
4. On page 530, the ordinate in figure 8B should read as Mass influx (kg/sec) instead Heat flux (cal/sec).
5. On page 532, in reference 10, the year should be 1949 instead 1959.
