

ERRATA

Mean cloud distributions over tropical oceans

By KSHUDIRAM SAHA, *Institute of Tropical Meteorology, Poona 5, India*

(Received June 7, 1971)

An important omission and several typographical errors occurred in a recent article by the author (Saha, 1971).

Page 183

Below the author's name and address, introduce the line: (Manuscript received June 23, 1970; revised version November 18, 1970).

Page 184

In title of section 3, read 'interaction' in place of 'itneraction'. In second equation for the flux of water vapour, replace H on the left-hand side by E .

Page 185

Line 9 from top: read 'updraft' for 'updrift'.

Page 186

Fig. 3, line 3 from bottom: read 'ratio' for 'ration'.

Bottom line: read 'isohygries' for 'isohygries'.

Page 188

Fig 4, line 2: For 'seadurig' read '*sea during*'.
For 'northernnn' read '*northern*'.

Page 191

Table 1. For 'equatoriel' read "equatorial".
For 'ocean' read 'Ocean'.

Line 13 from top (left column): For 'equatorial' read 'equatorial'.

Line 24 from top (right column): For '1967' read '1969'.

Page 193

Table 2: For 'equatorial' read 'equatorial'.

In section 8, line 12 from bottom: In place of 'for' read 'or'.

Page 194

Under references (Hubert, L. F., Krueger, A. F. & Winston, J. S. 1969): A question mark should replace dot after the word 'fiction'.
