

CORRIGENDUM

A laboratory study of baroclinic chaos on the f-plane

By JOHN E. HART, *Department of Astrophysical, Planetary and Atmospheric Sciences, University of Colorado, Campus Box 391, Boulder, Colorado 80309, USA*

(Manuscript received August 14, 1985)

There is an error in the captions of Figs. 4–7 in Hart (1985). The value of the Froude number F should be 13.8.
