

CORRIGENDUM

November issue of Tellus 1951

B. BOLIN, J. G. CHARNEY: Numerical Tendency Computations from the Barotropic Vorticity Equation.

Due to an oversight the article did not contain an acknowledgement that the work in-

volved was performed under contract N6-ori, Task Order 1, between the Office of Naval Research and the Institute for Advanced Study. The authors would like to make this acknowledgement now.

B. BOLIN

J. CHARNEY
