

Preface

This Special Issue of *Tellus B* contains a set of papers presented at the European Geophysical Society (EGS) Symposium on Arctic Tropospheric Chemistry, 6–10 May 1996, in The Hague, The Netherlands.

Leonard Barrie from the Atmospheric Environment Service, Toronto, Canada and Ulrich Platt from the Institut für Umweltphysik, Heidelberg, Germany have served as Guest Editors for the issue.

Henning Rodhe
Editor-in-Chief, *Tellus B*
